

Explore Coultershaw

school visit proposed timetable

Suggested plan for fieldwork day for class of c30 children

10.00 School arrive Coultershaw volunteer will have met coach at top of track to direct to Warehouse.

10.30 Explore History

A visit to the Pump House and the Engine House in small groups to explore the history of Coultershaw. Our volunteers will be on hand to give a short talk and demonstration in each building and students will have the opportunity to ask questions and try out our hands-on activities.

11.15 Explore Nature

Working in small groups the students will have the chance to find out about some of the mini beast we have at the site.

12.15 LUNCH back at Warehouse. Wash hands/use of toilets. See the stables!

12.45 Explore River

The groups of students will take part in two activities by the river, under close supervision, one group will do a River Survey recording then a Field Sketch and then swap over.

13.45 Plenary/review

At Warehouse. Review activities using Learning Outcome poster. What did you see? What did you learn? What did you enjoy? Return to Warehouse for toilets, collect lunch bags, goodbyes.

14.15 Depart
